RESEARCH

Yu, Hungpin is a Ph.D. candidate in the Department of Korean Language and Literature at Kyung Hee University in Seoul, South Korea. His research interests include Korean language education for Taiwanese learners, lexical and phonological similarities between Korean and Taiwanese Taigi, culturally responsive teaching, and computational approaches to analyzing research trends. His recent work includes the development of a Korean language learning enjoyment scale for Taiwanese learners (2025) and a BERTopic-based analysis of intercultural research trends in Korean language education (2026). He has over a decade of professional experience as a Korean-Chinese interpreter and translator. His current research applies topic modeling to multilingual academic corpora.
